## Grapevine Golf Course

Grapevine Golf Course stretches more than 6,900 yards when played from the back 18 tees, and what a journey it is. You'll love the lush scenery of this Grapevine golf course, conveniently located near Dallas. The course, first built in 1979, has delighted Grapevine golf enthusiasts for years, offering a rare blend of water hazards, sand traps and rolling fairways that create a simultaneously challenging yet relaxing experience.
